

## Safety Procedures for Spring Creek UMC Children's Church

- \*\*Teacher's (Volunteers) and KIDS will wear masks at all times.
- \*Parents will be asked to confirm that their child does not have a fever, shortness of breath or cough at check-in.
- \*Parents are responsible for checking their child's temperature before coming to Spring Creek UMC. If needed we do have contactless thermometers at the church.
- \*Check-in for Children's Church will be done at same location as parent check-in. Child and parent pick up tag will be provided for each child.
- \*KIDS will either use hand sanitizer, hand wipes or wash their hands with soap and water when leaving sanctuary to go to Children's Church. (Volunteer's will assist)
- \*No food or snacks will be offered.
- \*KIDS will be provided with individual boxes of supplies to use during Children's Church. The supply boxes will be left each week to be sanitized.
- \*KIDS will be required to practice social distancing while in Children's Church with proper distancing at tables. If a child does not abide by the social distancing guidelines the parent will be contacted to come pick up their child.
- \*If weather permits kids will be outside on the playground to be picked up by parents. If Kids are still in the fellowship building we ask that parents wait outside the fellowship doors to pick up their kids. Kids will be brought out of the fellowship building by teachers (volunteers).
- \*Room will be sanitized before and after Children's Church.
- \*Please keep your KIDS home if sick. This will protect the safety of our Spring Creek family.
